(b) SELLER's acknowledgment, acceptance of payment, or commencement of performance shall constitute SELLER's unqualified acceptance of this Contract.

(c) Unless expressly accepted in writing by AOSENSE , additional or differing terms or conditions proposed by SELLER or included in SELLER's acknowledgment are objected to by AOSENSE and have no effect.

(d) The headings used in this Contract are inserted for the convenience of the parties and shall not define, limit, or describe the scope or the intent of the provisions of this Contract.

2. APPLICABLE LAWS

(a) This Contract and any matter arising out of or related to this Contract shall be governed by the laws of the State of California, except that any provision in this Contract that is (i) incorporated in full text or by reference from the Federal Acquisition Regulation (FAR); or (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR or; (iii) that is substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contracts appeals, and quasi-judicial agencies of the federal Government.

(b) SELLER, in the performance of this Contract, shall comply with all applicable local, state, and federal laws, orders, rules, regulations, and ordinances. SELLER shall procure all licenses/permits, and pay all fees, and other required charges, and shall comply with all applicable guidelines and directives of any local, state, and/or federal governmental authority. SELLER, at its expense, shall provide reasonable cooperation to AOSENSE in conducting any investigation regarding the nature and scope of any failure by SELLER or its personnel to comply with applicable local, state, and federal laws, orders, rules, regulations, and ordinances that may affect the performance of SELLER's obligations under this Contract.

(c)(1) If:

(i) AOSENSE 's contract price or fee is reduced; (ii) AOSENSE 's costs are determined to be unallowable; (iii) any fines, penalties, or interest are assessed on AOSENSE ; or (iv) AOSENSE incurs any other costs or damages; as a result of any violation of applicable laws, orders, rules, regulations, or ordinances by SELLER, its officers, employees, agents, suppliers, or subcontractors at any tier, AOSENSE may proceed as provided for in (2) below.

(2) Upon the occurrence of any of the circumstances, other than withholdings, identified in paragraph (1) above, AOSENSE may make a reduction of corresponding amounts (in whole or in part) in the price of this Contract or any other contract with SELLER, and/or may demand payment (in whole or in part) of

the corresponding amounts. SELLER shall promptly pay amounts so demanded. In the case of withholding(s), AOSENSE may withhold the same amount from SELLER under this Contract.

(3) In the event it is determined that the Work is not a Commercial Item as defined at FAR 2.101, then SELLER agrees that, General Provisions for Subcontracts/Purchase Orders (All Agencies) for Non-Commercial Items under a U.S. Government Prime Contract, and the corresponding FAR and agency flow downs shall be applicable to this Contract, in lieu of these terms and conditions, effective as of the date of this Contract.

(d) SELLER represents that each chemical substance constituting or contained in Work sold or otherwise transferred to AOSENSE hereunder is, as applicable, on the Toxic Substances Control Act (TSCA) Chemical Substances inventory compiled by the United States the Environmental Protection Agency pursuant to TSCA (15 U.S.C. (1) SELLER represents and warrants that the Work and any substances contained therein are not prohibited or restricted by, and are supplied in compliance with REACH, CLP, and BPR, and that no current requirement in REACH, CLP, or BPR prevents the sale or transport of SELLER's Work or substances in SELLER's Work in the EEA, and that all such Work and substances have been pre-registered, registered, reported, approved, and/or authorized as and to the extent required by REACH, CLP, and BPR.

(2) SELLER shall timely respond to any request from AOSENSE with all relevant information on the Work so that the intents of REACH, CLP, and BPR are met for communicating with downstream users (e.g., as defined in article 3(13) of REACH [any person established in the EEA using substances in the course of that person's industrial or professional activities; the definition does not include the manufacturer, importer, distributor, or consumer]), and in any case, SELLER shall provide all information necessary for AOSENSE and/or any downstream user to timely and accurately fulfill their obligations under REACH, CLP, and BPR.

(3) SELLER shall bear all costs, charges and expenses related to pre-registration, registration, evaluation, authorization, reporting, and approval under REACH, CLP, and BPR.

(f) Equal Opportunity for Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA) Protected Veterans. (1) The clause at 41 CFR 60-300.5(a) is incorporated herein by reference. The clause applies if this Contract is for \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA. As used in the clause, "contractor" means "SELLER." This clause

applies in addition to FAR 52.222-35 if included in this Contract. (2) AOSENSE and SELLER shall abide by the requirements of 41 CFR 60-300.5(a). This regulation prohibits discrimination against qualified protected veterans and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans.

(g) Equal Opportunity for Workers with Disabilities. (1) The clause at 41 CFR 60-741.5 is incorporated herein by reference. The clause applies if this Contract is in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended. As used in the clause, "contractor" means "SELLER." This clause applies in addition to FAR 52.222-36 if included in this Contract. (2) AOSENSE and SELLER shall abide by the requirements of 41 CFR 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

3. ASSIGNMENT

Any assignment of SELLER's Contract rights or delegation of SELLER's duties shall be void, unless prior written consent is given by AOSENSE . Nevertheless, SELLER may assign rights to be paid amounts due, or to become due, to a financing institution if AOSENSE is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned shall be subject to setoff or recoupment for any present or future claims of AOSENSE against SELLER. AOSENSE shall have the right to make settlements and/or adjustments in price without notice to any assignee financing institution.

4. CHANGE IN CONTROL OF SELLER

Prior to a potential change of control of SELLER and at least ninety (90) days prior to the proposed effectiveness of such change of control, SELLER will promptly notify AOSENSE in writing thereof, and provide the identity of the potential new controlling party and information on such party and the transaction as AOSENSE may request, consistent with applicable law and confidentiality restrictions.

5. CHANGES

(a) The AOSENSE Procurement Representative may at any time, by written notice, and without notice to sureties or assignees, make changes within the general scope of this Contract in any one or more of the following:

(i) drawings, designs, or specifications; (ii) method of shipping or packing; (iii) place of inspection, acceptance, or point of delivery; and (iv) delivery schedule.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of this Contract, AOSENSE shall make an equitable adjustment in the Contract price and/or delivery schedule and modify this Contract accordingly. Changes to the delivery schedule will be subject to a price adjustment only.

(c) SELLER must assert its right to an equitable adjustment under this clause within thirty (30) days from the date of receipt of the written change order from AOSENSE . If SELLER's proposed equitable adjustment includes the cost of property made obsolete or excess by the change, AOSENSE shall have the right to prescribe the manner of disposition of the property.

(d) Failure to agree to any adjustment shall be resolved in accordance with the "Disputes" clause of this Contract. However, nothing contained in this "Changes" clause shall excuse SELLER from proceeding without delay in the performance of this Contract as changed.

6. COMMUNICATION WITH AOSENSE CUSTOMER

SELLER shall not communicate with AOSENSE's customer or higher tier customer in connection with this Contract, except as expressly permitted by AOSENSE. This clause does not prohibit SELLER from communicating with the U.S. Government with respect to (1) matters SELLER is required by law or regulation to communicate to the Government, (2) fraud, waste, or abuse communicated to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information, (3) any matter for which this Contract, including a FAR or FAR Supplement clause included in this Contract, provides for direct communication by SELLER to the Government, or (4) any material matter pertaining to payment or utilization.

7. CONTRACT DIRECTION

(a) Only the AOSENSE Procurement Representative has authority on behalf of AOSENSE to make changes to this Contract. All amendments must be identified as such in writing and executed by the parties.

(b) AOSENSE engineering and technical personnel may from time to time render assistance or give technical advice or discuss or effect an exchange of information with SELLER's personnel concerning the Work hereunder. No such action shall be deemed to be a change under the "Changes" clause of this Contract and shall not be the basis for equitable adjustment.

(c) Except as otherwise provided herein, all notices to be furnished by SELLER shall be in writing and sent to the AOSENSE Procurement Representative.

8. COUNTERFEIT WORK

(a) The following definitions apply to this clause:

"Counterfeit Work" means Work that is or contains unlawful or unauthorized reproductions, substitutions, or alterations

that have been knowingly mismarked, misidentified, or otherwise misrepresented to be an authentic, unmodified part

from the original manufacturer, or a source with the express written authority of the original manufacturer or design activity, including an authorized aftermarket manufacturer. Unlawful or unauthorized substitution includes used Work represented as new, or the false identification of grade, serial number, lot number, date code, or performance characteristics.

"Suspect Counterfeit Work" means Work for which credible evidence (including, but not limited to, visual inspection or testing) provides reasonable doubt that the Work part is authentic.

(b) SELLER shall not deliver Counterfeit Work or Suspect Counterfeit Work to AOSENSE under this Contract.

(c) SELLER shall only purchase products to be delivered or incorporated as Work to AOSENSE directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. SELLER may use another source only if (i) the foregoing sources are unavailable, (ii) SELLER's inspection and other counterfeit risk mitigation processes will be employed to ensure the authenticity of the Work, and (iii) SELLER obtains the advance written approval of AOSENSE .

(d) SELLER shall maintain counterfeit risk mitigation processes in accordance with industry recognized standards and with any other specific requirements identified in this Contract.

(e) SELLER shall immediately notify AOSENSE with the pertinent facts if SELLER becomes aware that it has delivered Counterfeit Work or Suspect Counterfeit Work. When requested by AOSENSE , SELLER shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM. SELLER, at its expense, shall provide reasonable cooperation to AOSENSE in conducting any investigation regarding the delivery of Counterfeit Work or Suspect Counterfeit Work under this Contract.

(f) This clause applies in addition to and is not altered, changed, or superseded by any quality provision, specification, statement of work, regulatory flow down, or other provision included in this Contract addressing the authenticity of Work.

(g) In the event that Work delivered under this Contract constitutes or includes Counterfeit Work, SELLER shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Contract. Notwithstanding any other provision in this Contract, SELLER shall be liable for all costs relating to the removal and replacement of Counterfeit Work, including without limitation AOSENSE 's costs of removing Counterfeit Work,

of installing replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. The remedies contained in this paragraph are in addition to any remedies AOSENSE may have at law, equity or under other provisions of this Contract.

(h) SELLER shall include paragraphs (a) through (f) and this paragraph (h) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Work to AOSENSE .

9. DEFAULT

(a) AOSENSE , by written notice, may terminate this Contract for default, in whole or in part, if SELLER (i) fails to comply with any of the terms of this Contract; (ii) fails to make progress so as to endanger performance of this Contract; (iii) fails to provide adequate assurance of future performance; (iv) files or has filed against it a petition in bankruptcy; or (v) becomes insolvent or suffers a material adverse change in financial condition. SELLER shall have ten (10) days (or such longer period as AOSENSE may authorize in writing) to cure any such failure after receipt of notice from AOSENSE . Default involving delivery schedule delays, bankruptcy or adverse change in financial condition shall not be subject to the cure provision.

(b) Following a termination for default of this Contract, SELLER shall be compensated only for Work actually delivered and accepted. AOSENSE may require SELLER to deliver to AOSENSE any supplies and

materials, manufacturing materials, and manufacturing drawings that SELLER has specifically produced or acquired for the terminated portion of this Contract. AOSENSE and SELLER shall agree on the amount of payment for these other deliverables. (c) Upon the occurrence and during the continuation of a default, AOSENSE may exercise any and all rights and remedies available to it under applicable law and equity, including without limitation, cancellation of this Contract.

If after termination for default under this Contract, it is determined that SELLER was not in default, such termination shall be deemed a termination for convenience.

(d) SELLER shall continue all Work not terminated or cancelled.

10. DEFINITIONS

The following terms shall have the meanings set forth below:

(a) "Contract" means the instrument of contracting, such as "Purchase Order", "PO", "Subcontract", or other such type designation, including these General Provisions, all referenced documents, exhibits and attachments. (b) "FAR" means the Federal Acquisition Regulation, issued as Chapter 1 of Title 48, Code of Federal Regulations.

Each party hereby irrevocably waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of under or in connection with this Contract.

(b) Until final resolution of any dispute hereunder, SELLER shall diligently proceed with the performance of this Contract as directed by AOSENSE .

12. ELECTRONIC CONTRACTING

The parties agree that if this Contract is transmitted electronically neither party shall contest the validity of this Contract, or any acknowledgement thereof, on the basis that this Contract or acknowledgement contains an electronic signature.

13. EXPORT CONTROL

a) SELLER shall comply with all applicable U.S. export control laws and economic sanctions laws and regulations, specifically including but not limited to the International Traffic in Arms Regulations (ITAR), 22 C.F.R. 120 et seq.; the Export Control Reform Act of 2018; the Export Administration Regulations, 15 C.F.R. 730-774; and the Foreign Assets Control Regulations, 31 C.F.R. 500-598 (collectively, "Trade Control Laws").

(b) SELLER shall notify AOSENSE if any deliverable under this Contract is restricted by applicable Trade Control Laws. Before providing AOSENSE any item or data controlled under any of the Trade Control Laws, SELLER shall provide in writing to the AOSENSE Procurement Representative the export classification of any such item or controlled data (i.e. the export classification under the EAR, ITAR, EU List of Dual Use Items and Technology, Wassenaar Arrangement's List of Dual-Use Goods and Technologies or other applicable export control list) and shall notify the AOSENSE Procurement Representative in writing of any changes to the export classification information of the item or controlled data. SELLER represents that an official authorized to bind the SELLER has determined that the SELLER or the designer, manufacturer, supplier or other source of the Work has properly determined their export classification.

(c) SELLER shall not export, re-export, transfer, disclose or otherwise provide or make accessible AOSENSE 's technical data and/or hardware controlled by Trade Control Laws ("Export Controlled Information") to any persons, or entities not authorized to receive or have access to the data, services and/or hardware, including third country/dual national employees, lower-tier subcontractors and sub-licensees, or modify or divert such Export Controlled Information to any military application unless SELLER receives advance, written authorization from AOSENSE and verification of any required export authorization is in place. SELLER shall not provide a defense service as defined by the

Trade Control Laws using any or all of AOSENSE 's technical data and/or hardware. Upon AOSENSE 's request, SELLER shall demonstrate to AOSENSE 's reasonable satisfaction, SELLER's and SELLER's lower-tier subcontractors' compliance with this clause and all Trade Control Laws. To the extent SELLER's Work provided under this Contract include packing, labeling, processing, and/or handling exports for AOSENSE, SELLER shall maintain an auditable process that assures accurate packing, labeling, processing, and handling of such exports. SELLER shall also promptly notify AOSENSE if it becomes aware of any failure by SELLER or SELLER's lower-tier subcontractors to comply with this clause and shall cooperate with AOSENSE in any investigation of such failure to comply.

(d) SELLER hereby represents that neither SELLER nor any parent, subsidiary, affiliate or sublicensee or sub-tier supplier of SELLER is included on any of the restricted party lists maintained by the U.S. Government, including the Specially Designated Nationals List administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"), Denied Parties List, Unverified List or Entity List maintained by the U.S. Commerce Department's Bureau of Industry and Security ("BIS"), or the List of Statutorily Debarred Parties maintained by the U.S. State Department's Directorate of Defense Trade Controls, listed, the ITAR §126.1 Restricted Parties List, or the consolidated list of asset freeze targets designated by the United Nations, European Union, and United Kingdom (collectively, "Restricted Party Lists"). SELLER will provide prompt notice to AOSENSE, in adherence with applicable laws, the confidentiality restriction of the change of control agreement from the acquiring party of a change of control of SELLER, or any parent, subsidiary or affiliate of SELLER, or any sublicensee or sub-tier supplier

of SELLER, which becomes listed or their ownership is listed on any Restricted Party List, within or by an ITAR § 126.1 listed country, or if SELLER's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. or non-U.S. government entity or agency. To ensure compliance with the requirements of the applicable agency's regulations, if the intended sale or transfer of ownership is to a non-U.S. person or entity, SELLER shall provide AOSENSE with notice at least 90 days prior to the effectiveness of such change of control.

(e) If SELLER is engaged in the business of exporting manufacturing (whether exporting or not) or brokering defense articles or furnishing defense services, SELLER represents that it is and will continue to be registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective export/import compliance program in accordance with the ITAR.

(f) Where SELLER is a party to or signatory under a AOSENSE Technical Assistance Agreement (TAA) or Manufacturing License Agreement (MLA), license exception or license exemption, collectively, "Export Authorization," SELLER shall provide prompt notification to the AOSENSE Procurement Representative in the event of (1) changed circumstances including, but not limited to, ineligibility, a violation or potential violation of the ITAR or other applicable governmental restrictions, and the initiation or existence of a U.S. Government investigation, that could affect SELLER's performance under this Contract, or (2) any change by SELLER that might require AOSENSE to submit an amendment to an existing Export Authorization or request a new or replacement Export Authorization. SELLER shall provide to AOSENSE all information and documentation as may reasonably be required for AOSENSE to prepare and submit any required export license applications. Delays on SELLER's part to submit the relevant information for export licenses shall not constitute an excusable delay under this Contract.

(g) Upon completion of performance of this Contract, SELLER and its lower-tier subcontractors shall as directed by AOSENSE, return or destroy all export controlled technical data, technology, hardware or other items. SELLER shall provide a certificate of destruction for all destroyed items.

(h) SELLER shall include paragraphs (a) through (g) and this paragraph (h) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or delivered as Work to AOSENSE. SELLER shall immediately notify AOSENSE upon learning that any lower-tier subcontractor with which it engages has become listed on the Restricted Parties List.

(i) SELLER shall be responsible for all losses, costs, claims, causes of action, damages, liabilities and expense, including attorney's fees, all expense of litigation and/or settlement, and court costs, arising from any act or omission of SELLER, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this clause.

14. EXTRAS

Work shall not be supplied in excess of quantities specified in this Contract. SELLER shall be liable for handling charges and return shipment costs for any excess quantities.

15. FURNISHED PROPERTY

(a) AOSENSE may, by written authorization, provide to SELLER property owned by either AOSENSE or its customer (Furnished Property). Furnished Property shall be used only for the performance of this Contract.

(b) Title to Furnished Property shall remain in AOSENSE or its customer. SELLER shall clearly mark (if not so marked) all Furnished Property to show its ownership.

(c) Except for reasonable wear and tear, SELLER shall be responsible for, and shall promptly notify AOSENSE of, any loss or damage to Furnished Property. Without additional charge, SELLER shall manage, maintain, and preserve Furnished Property in accordance with applicable law, the requirements of this Contract and good commercial practice.

(d) At AOSENSE 's request, and/or upon completion of this Contract, SELLER shall submit, in an acceptable form, inventory lists of Furnished Property and shall deliver or make such other disposal as may be directed by AOSENSE .

(e) The Government Property Clause contained in this Contract shall apply in lieu of paragraphs (a) through (d) above with respect to Government-furnished property, or other property to which the Government has title, or may take title under this Contract.

16. GRATUITIES/KICKBACKS

(a) SELLER shall not offer or give a kickback or gratuity (in the form of entertainment, gifts, or otherwise) for the purpose of obtaining or rewarding favorable treatment as an AOSENSE supplier.

(b) By accepting this Contract, SELLER certifies and represents that it has not made or solicited and will not make or solicit kickbacks in violation of FAR 52.203-7 or the Anti-Kickback Act of 1986 (41 USC 51-58), both of which are incorporated herein by this specific reference, except that paragraph (c)(1) of FAR 52.203-7 shall not apply.

17. INDEMNITY

(a) SELLER shall defend, indemnify, and hold AOSENSE harmless from and against any and all damages, losses, liabilities and expenses (including reasonable attorneys' fees) arising out of or relating to any claims, demands, causes of action, lawsuits or other proceedings, regardless of legal theory, to the extent resulting from Seller's (or any of Seller's subcontractors, suppliers, employees, agents or representatives) breach of this Order, intentional misconduct, negligence, fraud, infringement of any patent, trademark, trade secret, copyright or other intellectual property right or violation of any law or regulation.

(b) SELLER shall promptly notify AOSENSE of any claim that is covered by this indemnification provision and shall authorize representatives of Seller to settle or defend any such claim or suit and to take charge of any litigation in connection therewith.

(c) In the event of an infringement claim covered hereunder where the goods or services or use thereof are enjoined in whole or in part, SELLER shall at its expense and at AOSENSE's option undertake one of the following: (i) obtain for AOSENSE and its customer the right to continue the use of such goods or services; (ii) in a manner acceptable to AOSENSE, substitute equivalent goods or services or make

modifications thereto so as to avoid such infringement and extend this indemnity thereto; or (iii) refund to AOSENSE an amount equal to the purchase price for such goods or services plus any excess costs or expenses incurred in obtaining substitute goods or services from another source.

18. INDEPENDENT CONTRACTOR RELATIONSHIP

SELLER is an independent contractor in all its operations and activities hereunder. The employees used by SELLER to perform Work under this Contract shall be SELLER's employees exclusively without any relation whatsoever to AOSENSE.

19. INFORMATION ASSURANCE

(a) Information provided by AOSENSE to SELLER remains the property of AOSENSE. SELLER shall comply with the terms of any proprietary information agreement with AOSENSE and comply with all proprietary information markings and restrictive legends applied by AOSENSE to anything provided hereunder to SELLER. SELLER shall not use any AOSENSE provided information for any purpose except to perform this Contract and shall not disclose such information to third parties without the prior written consent of AOSENSE. SELLER shall maintain data protection processes and systems sufficient to adequately protect AOSENSE

provided information and comply with any law or regulation applicable to such information.

(b) If SELLER becomes aware of any compromise of information used in the performance of this Contract or provided by AOSENSE to SELLER, its officers, employees, agents, suppliers, or subcontractors (an "Incident"), SELLER shall take appropriate immediate actions to investigate and contain the Incident and any associated risks, including notification within seventy-two (72) hours to AOSENSE after learning of the Incident. As used in this clause, "compromise" means that information has been exposed to unauthorized access, inadvertent disclosure, known misuse, loss, destruction, or alteration other than as required to perform the Work. SELLER shall provide reasonable cooperation to AOSENSE in conducting any investigation regarding the nature and scope of any Incident. Any costs incurred in investigating or remedying Incidents shall be borne by SELLER.

(c) Any AOSENSE provided information identified as proprietary or subject to restrictions on public disclosure by law or regulation shall be encrypted (i) if transmitted via the Internet, or (ii) during electronic storage if potentially accessible by the Internet or otherwise by non-authorized users.

(d) The provisions set forth above are in addition to and do not alter, change or supersede any obligations contained in a proprietary information agreement between the parties.

(e) DFARS 252.204-7012 applies to covered defense information if said clause is included in this Contract.

20. INFORMATION OF SELLER

SELLER shall not provide any proprietary information to AOSENSE without prior execution of a proprietary information agreement by the parties.

21. INSPECTION AND ACCEPTANCE

(a) AOSENSE and its customer may inspect all Work at reasonable times and places, including, when practicable, during manufacture and before shipment. SELLER shall provide all information, facilities, and assistance necessary for safe and convenient inspection without additional charge.

(b) No such inspection shall relieve SELLER of its obligations to furnish and warrant all Work in accordance with the requirements of this Contract. AOSENSE 's final inspection and acceptance shall be at destination.

(c) If SELLER delivers non-conforming Work, AOSENSE may, in addition to any other remedies available at law or at equity: (i) accept all or part of such Work at an equitable price reduction; or (ii) reject such Work; or (iii) require SELLER, at SELLER's cost, to make all repairs, modifications, or replacements at the direction of AOSENSE necessary to enable such Work to comply in all respects with Contract requirements.

(d) SELLER shall not re-tender rejected Work without disclosing the corrective action taken.

22. INDEMNIFICATION, INSURANCE AND, PROTECTION OF PROPERTY

The following provisions shall only apply if and to the extent SELLER's personnel enter or perform work at **premises** owned or controlled by AOSENSE or the Government or any other circumstance such as SELLER travel related to the work being performed under this Agreement:

(a) Indemnification. SELLER shall defend, indemnify and hold harmless the AOSENSE and its directors, officers, employees and agents from and against all actions, causes of action, liabilities, claims, suits, judgments, liens, awards and damages of any kind and nature whatsoever for property damage, personal injury or death (including without limitation injury to or death of employees of SELLER or any subcontractor thereof) and expenses, costs of litigation and counsel fees related thereto or incident to establishing the right to indemnification, arising out of or in any way related to this Agreement, the performance thereof by SELLER or any subcontractor thereof or other third parties within the control or acting at the direction of SELLER, or any of their respective employees (collectively for the purposes of this paragraph, the "SELLER Parties"), including, without limitation, the provision of goods, services, personnel, facilities, equipment, support, supervision or review. The foregoing indemnity shall apply only to the extent of the negligence or willful misconduct of the SELLER Parties that occurs while on premises owned or controlled by AOSENSE. In no event shall SELLER's obligations hereunder be limited to the extent of any insurance available to or provided by SELLER or any subcontractor thereof. SELLER expressly waives any immunity under industrial insurance, whether arising out of statute or other source, to the extent of the indemnity set forth in this paragraph.

(b) SELLER shall carry and maintain, and ensure that all subcontractors thereof carry and maintain, throughout the period when work is performed and until final acceptance by AOSENSE, Commercial General Liability insurance with available limits of not less than \$2,000,000 per occurrence for bodily injury and property damage combined. Such insurance shall contain coverage for all premises and operations, broad form property damage, contractual liability (including, without limitation, that specifically assumed under Article XVIII herein) and goods and completed-operations insurance with limits of not less than \$1,000,000 per occurrence for a minimum of twenty-four (24) months after final

acceptance of the work by AOSENSE. Such insurance shall not be maintained on a per-project basis unless the respective SELLER or subcontractor thereof does not have blanket coverage.

(c) If licensed vehicles shall be used in connection with the performance of the work, SELLER shall carry and maintain, and ensure that any subcontractor thereof who uses a licensed vehicle in connection with the performance of the work carries and maintains, throughout the period when work is performed and until final acceptance by AOSENSE, Business Automobile Liability insurance covering all vehicles, whether owned, hired, rented, borrowed or otherwise, with available limits of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage.

(d) Throughout the period when work is performed and until final acceptance by AOSENSE, SELLER shall, and ensure that any subcontractor thereof shall, cover or maintain insurance in accordance with the applicable laws relating to Workers' Compensation (and Employers' Liability with limits not less than \$1,000,000 per incident) with respect to all of their respective employees working on or about AOSENSE's premises. If AOSENSE is required by any applicable law to pay any Workers' Compensation premiums with respect to an employee of SELLER or any subcontractor, SELLER shall reimburse AOSENSE for such payment.

(e) Prior to commencement of the work, SELLER shall provide for AOSENSE's review and approval a Memorandum of insurance reflecting full compliance with the requirements set forth in paragraphs (a), (b), (c) and (d). Such insurance shall be kept current and in compliance throughout the period when work is being performed and until final acceptance by AOSENSE, and SELLER shall provide for prompt advance written notice to AOSENSE in the event of cancellation. Failure of SELLER or any subcontractor thereof to furnish certificates of insurance, or to procure and maintain the insurance required herein or failure of AOSENSE to request such certificates, endorsements or other proof of coverage shall not constitute a waiver of SELLER's or subcontractor's obligations hereunder.

(f) Any self-insured retention, deductibles and exclusions in coverage in the policies required under this Article shall be assumed by, for the account of and at the sole risk of SELLER or the subcontractor which provides the insurance and, to the extent applicable, shall be paid by such SELLER or subcontractor.
